How much fun can two girls and one strap-on dildo have? We invited Axa and Jay along for a photo shoot to answer this age-old question and the girls didn't disappoint! "I've never been fucked by a girl before so you can only imagine how excited I was to be asked!" Alex told us. "And there really was no need to offer the lube to us, my pussy was wet and ready for a hard rubber cock before I even walked into the building," Alex continued. We're just going to let the pictures do all of the talking!

BILLIE

Flame-haired Billie is very hot at the moment – which is why we love inviting her to the Paul Raymond Towers to try to extinguish our erections, for a couple of minutes at least. "Oooh, yes. I love being watched while I'm stripping. Now don't be shy, get your cocks out – the sight of them really turns me on. The feel and taste even more!"

SEND YOUR CONFESSIONS TO: RAZZLE MAGAZINE, 20 LYON ROAD, HERSHAM, SURREY, KT12 3PU OR RAZZLE@PAULRAYMOND.COM

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

WHAT'S THE DIRTIEST THING YOU'VE EVER DONE?

That was definitely on holiday last summer. I went with my best mate Clara. She is a right laugh, a real piss artist and slapper – just like me. We hired out a caravan down in Newquay for a week. Clara had been there before and told me it was full of fit sun-tanned blokes running round in wetsuits and swimming trunks. That was good enough for me!

Our caravan was within stumbling distance of the town centre so as soon as we arrived we got tarted up and headed straight for the pubs. We got cocks up us on that very first night. It was a lovely balmy evening so me and Carla wore as little possible – not that we need an excuse to do that. We both wore short skirts and high heels. Carla had on a short tight top that exposed her tanned midriff and I went for a see-through blouse over a black bra with my tits bulging out over the top. Our skimpy G-strings kept peeping out from beneath our ridiculously tiny skirts.

It didn't take long for us to get a reaction from the blokes. At the first pub we went to there was a group of bare-chested surfy types sitting at a table outside. As soon as they clamped eyes on us they broke out into a round of applause and one of them shouted to me to get my tits out.

Feeling sexy and frisky, I poked my tongue out, lifted my shirt up and popped my tits out of my bra. They started cheering and one of the blokes stood up and flopped his cock out of his swimming shorts. Carla pointed at him and made a cock-sucking motion with her mouth and we went into the pub laughing. I knew then that we were going to have a wild time.

After several pubs, large volumes of vodka plenty of flashing and flirting (including Carla getting her tits sucked by a load of blokes on a stag do), we ended up in a club. By the end of the night we had both found ourselves a definite shag.

My bloke was called Dave and he had a big cock. I knew this because it had been in various stages of stiffness all night as I rubbed my body up against it. I ran my hand down between his legs and stroked his length, asking him if him and his mate Steve wanted to come back with me and Carla for more booze. He agreed with a wicked grin.

He went to tell Steve and I told Carla. She was well up for it, and between us we decided to make it a night to remember. When we got back to our caravan we pulled out the big double bed in the living room. We ordered Dave and Steve to strip off and make themselves comfortable on the bed. They stripped off, their hardening cocks lolling between their legs.

Then Carla and I started to kiss in front of them. It was a full on passionate snog, and the blokes could hardly believe their eyes. Then Carla began to unbutton my blouse as I ran my hands up and down her firm brown thighs. Discarding my shirt, I pulled Carla's top up over her head to expose her full round breasts and dark brown nipples. I closed my mouth over one and then the other, nibbling them till they stood out like bullets.

My bra came off next, closely followed by both of our skirts. Then Carla bent double in front of me. I slowly peeled off her G-string, tantalisingly revealing her glistening, shaven pussy and firm arse. Both the lads had their hands round big erections by now.

I snaked my tongue out and licked all the way up the length of Carla's wet slit. Then I licked her arse and she called me a dirty bitch. With that, she sat me on the edge of the bed and pulled my legs up over her shoulders. Inviting the lads to come and have a close look, she pulled my thong off slowly and my wet, pink pussy came into view.

Dave was leaning over me to get a look, and I arched my neck so I could suck his dick. Cupping his nuts, I encouraged him to thrust his fat cock in and out of my mouth.

He shoved it in almost up to his balls and I deep-throated him. He positioned his knees either side of my head so he could dunk his cock right down my throat. I tilted my head back so I had the right angle and he could wantonly fuck my mouth with his full length.

As this was happening, my legs were parted. I felt Carla kissing all over my shaven mound. Then I felt her learned tongue delving between my lips and burrowing inside my cunt. She took my lips in her mouth and chewed them and then played with my clit with the hard end of her tongue. She really knows how to lick a girl out, and she had me cumming after just a couple of minutes.

Dave took his cock out of my mouth and I looked up to see that Steve was now behind Carla who was on all fours on the floor at the end of the bed. As Carla plated me, Steve was fucking her hard from behind and it looked like he was fingering her arse too.

I lay back on the bed and told Dave I wanted fucking. He came round from behind me and positioned himself between my legs, which he held in the air, his straining cock ready to plunge inside my creamy cunt.

Suddenly Steve was carrying Carla over to the bed and flopping her down next to me. He took up an identical pose to his mate, holding Carla's legs high above her and preparing to fuck her.

They looked at each other, nodded, and simultaneously thrust their cocks into our juicy pussies. I was so wet with my cum that Dave went in up to his nuts on the first thrust. I looked across at Carla taking a pummelling from Steve. Her large tits were wobbling and her face was contorted with a fast approaching orgasm.

The caravan was rocking like mad as Carla and I lay side by side getting fucked senseless. Carla screamed as she came, and that triggered off my second messy orgasm.

Steve and Dave kept letting each other know how close they were to cumming. They timed it so that when they were both ready, they pulled out and pointed their cocks at our faces. Dave wanked his shaft until the first hot bolt of cum shot into my mouth. I tried to catch as much as I could of the next few creamy shots which splashed all over my face.

Then Dave leaned across and flicked his last drops across Carla's cum-smeared face. When they had both drained their cocks all over our faces, Carla and I had a sexy cummy kiss to show our appreciation for their sterling shagging efforts. Ladies – I would recommend Newquay for a fucking great holiday!

Tori, Grantham

WHERE'S THE STRANGEST PLACE YOU'VE HAD SEX?

I used to live in a flat just out of the town centre with my boyfriend of the time, Paul. The route back from town went past a golf course. Sometimes, when we were walking back pissed, we would take a short cut through the golf club, though if you ever got caught you got a right bollocking.

After one particularly boozy night, Paul and me were stumbling home sometime after midnight. We were randy as a couple of rabbits, and we couldn't wait to get home to have a fuck. As we cut through the golf course, Paul suddenly rugby tackled me somewhere on the third fairway, just after the dog leg a couple of hundred yards from the pin to be precise.

He climbed on top of me and started kissing me. His lips moved down my body until his head was between my legs. I arched my back so he could hitch my skirt up. I wasn't wearing any knickers, so he was able to raise my legs and bury his face in my sticky pussy. He had been rubbing me up in secret all night, so I was nice and creamy and desperate to cum.

He lapped at my cunt and nibbled my clit. When he jammed three fingers up my squelching hole and pushed them in and out, I came to a juicy climax. My cunt juice spilled out over his fingers, which he licked clean.

Just as Paul was undoing his trousers and preparing to stick his cock up me, two beams of light swept across the fairway.

We jumped up, knowing what it was. The club have this old cunt of a bloke who goes round tending the greens and stuff.

He works at all hours with his sprinkler and his buggy, and he'd often chased us off the course late at night and even caught us twice.

We hadn't been seen, so we legged it and jumped into a bunker. I landed face down with Paul on top of me. I could feel his boner pressing through his trousers against my buttocks. I ground my arse up against him, desperate for his cock. He roughly dragged me up onto all fours and pulled his trousers round his knees.

He slid a finger up my cunt and guided his cock to my entrance. With a nudge of his hips he slipped his cock inside me and his finger out. At last I had a cock up me – I'd been waiting all night! He rammed his dick up me to the hilt fast and furious.

My cunt was juicing up like mad and dripping down my thighs. Paul started to finger my arse and I knew he was getting it ready for his cock. He loved fucking my arse almost as much as I loved having it fucked. He rubbed my juices into my tight hole and squeezed two fingers inside.

Just as he forced the end of his cock into my arse, the noise of the golf buggy got louder. The green keeper was driving our way and I was getting fucked up the arse in the bunker! I didn't give a fuck, I just wanted to cum some more. I backed onto Paul's cock until my arse was totally full. Then I started to frig myself off as he took a firm grip of my hips and started riding my arse.

The noise of the engine got louder until it sounded like it was really close. To his credit, Paul didn't miss a stroke, fucking my butt even as the buggy drove straight past the bunker we were in towards the green not too far away.

When I came again, Paul had to put his hand over my mouth to stop me letting...

Please take a moment to admire what might just be the most perfect set of knockers we've ever seen! We said take a moment, not whap your cock out a jizz all over Lucy's luscious mounds! "They're definitely my weapon of choice when I'm on the prowl for a man." Lucy tells us. "If I wear a little mini skirt and a tight low-cut top there's not a man out there that I can't turn into putty in my hands. And by the end of the night they'll be rewarded with the best tit wank of their life, and I'll even let them finish off over my face!"

There's the saying 'what goes on tour, stays on tour,' and unfortunately the same applies when the Paul Raymond team goes to trade shows! Usually we're quite well behaved, but someone decided that it would be a good idea if we brought Sophie and Xena on our most recent 'trip' out of the office. Luckily we had a tog at hand to take some photos. We're sorry that we've broken the rule, but we couldn't help ourselves!

Is living next door to a porn star like living in a bad joke? "Hey, mate, how did your date go last night?" "Ah, only got to first base." "Well, at least you got your arsehole licked!" Or is it actually the best fun ever? "You'd have to ask my neighbours!" laughs self-styled ultimate MILF Leigh from Manchester. "They're just as dirty as me, you know. Sometimes it's like a competition to see who can rut the loudest through the bedroom walls. I win of course!"

LEIGH

DEBBIE

That's one hairy snatch that Debbie's got, and even though it might not be everyone's cup of tea, her husband munches down on it on a daily basis! "I might get a few hairs stuck in between my teeth and a few tickling my throat, but there's nothing quite like the smell that comes out of a dripping wet hairy pussy!"

ALL OF YOUR FAVOURITE ADULT MAGAZINES IN ONE PLACE...

We love a good imaginative stage name, and 'Kimmy Cumlots' is right up there with the best of them! "It's a nickname that I've been given from my many lovers. It hardly takes the slightest touch and my pussy gushes with cum. And when I've got a big fat dick pumping away between my legs I tend to explode like a giant tsunami!"

CHLOE

Chloe likes a big dildo! “When I’m fucking myself I like to use the biggest dildo from my collection and plunge it as deep as I can, but when I’m having sex I like a nice average cock of five to six inches, with a bit of girth. If I’m going to be fucking for at least ten minutes or so I couldn’t handle anything bigger than that. I do like big dangly balls though, preferably in my mouth!”

TRUE CONF

...the whole neighbourhood know what we were up to. My arse tightened round Paul's cock as I came, triggering his orgasm. He pulled out and fired wads of sticky cum over my back, my arse cheeks and my cunt.

Then Paul wiped all the spunk off with his boxer shorts and we lay low in the bunker until matey had fucked off. Then, on the way home, Paul shoved his spunk drenched boxers down the hole as a present for the first bloke to tee off the next morning!

Jenni, Cambridge

WHAT'S THE BEST SEX YOU'VE HAD RECENTLY?

I got a proper fucking at a party a couple of weeks ago. My best friend Sarah had just moved into a new place so she had a housewarming bash. We set up a barbecue in the back garden and as you can imagine it wasn't long before we were breaking out the booze big style.

Later on in the night I got chatting to this bloke Nick. He was the brother of one of Sarah's housemates and he was fit as fuck. We obviously fancied each other so we wasted no time pissing about.

We slipped outside into the night and I grabbed hold of his cock and started wanking him through his jeans. I unzipped his flies and managed to wrench his stiff cock free. I tossed it off as it jutted through his trousers. He was rubbing my moistening cunt and he'd managed to free one of my tits, which he sucked lustily. I hadn't been wanking him long when he told me he was ready to cum.

Not wanting to miss out on a mouthful of delicious spunk, I got on my knees and took his helmet in my mouth. I pumped my hand over his shaft until his cock strained and delivered three powerful jets of hot sperm right down my throat. I swallowed eagerly and coaxed the remaining cum from his balls.

Just as I was lapping up the last of Nick's sticky jizz, another randy couple spilled out of the backdoor and into the garden. As Nick zipped up his trousers I decided we should find somewhere to fuck in peace.

We went to the upstairs bathroom and locked it from the inside. Then we put a cabinet and the bin up against the door. Safely barricaded in, we were free to get down to some serious fucking. Nick undressed me until I was standing in just my skimpy thong. My nipples were poking out like coat hooks and I had goose bumps all over my body in anticipation of what this guy was going to do to me.

He turned me round and bent me over double. Then he kneeled down behind me and slowly peeled off my thong. It clung to my cunt because it was so wet, and

I shuddered when Nick snapped it free with a satisfying yank. Stepping out of my underwear, I thrust my hips back and presented Nick with my glistening pink cunt and round arse.

He whistled in approval as he surveyed my juicy cunt. After pausing to admire it, he placed his hands on my arse cheeks and pulled them apart, leaving my cunt and arsehole entirely at his mercy. He pushed his tongue right inside my cunthole, exploring my tasty snatch.

His nose was right up against my arse as he forced his tongue inside me as far as it would go. Then he concentrated on my puffy lips, licking and nibbling them one by one. He traced his tongue up and down the length of my slit. I arched my back and stuck my arse right out, straining to allow him access to my clit. He found my sensitive nub and began circling and flicking it with his tongue. I could feel an orgasm brewing within me as he worked on my cunt.

Just as I was getting really excited, he suddenly buried his tongue in my tight arsehole. I squirmed with surprise and pleasure as his warm tongue wriggled up against my tightest hole.

Then he whacked his thumb up my arse and returned his tongue to my pulsating clit. This sudden move triggered a surge of pleasure and sent me racing towards an orgasm. He flicked my hardening clit and my cunt and arse spasmed as I came to an intense climax. "Fuck! I'm cumming you horny cunt!" I shouted as my body trembled and cum juice spilled out over his tongue.

ESSIONS

As soon as my orgasm subsided, I turned round and took Nick's cock in my mouth. I slurped his member up and down until it was rock hard and raring to go. Nick pulled me up and got me up against the wall. I wrapped my thighs around his waist and he took a hold of me round the arse.

Pinning me against the bathroom wall, he drove his big hard cock deep inside me. I was so wet that he was up to his balls in cunt after one stroke. He started hammering his cock in and out of me, pulling almost right out of my cunt and slamming back in. I pressed my thighs tightly around him, squeezing my cunt muscles round his cock.

After doing me hard against the wall, he then turned me round. I braced my arms against the wall and stuck my arse out. He guided his cock back inside my cunt and continued fucking me hard and fast. We were both getting a sweat on – it was a fast and frantic fuck. I wanted to start flicking my bean while he fucked me, but he was doing me so hard he would have put my head through the wall if I had moved one of my arms.

I told him to frig my clit, so he got closer to me. Withdrawing his juicy cock, he lined it up against my arse. Giving his hips a nudge, he slid his dick right up my arse. As he began inching in and out of me, he reached round with one hand and started frigging me off.

With his hefty cock filling my tight arse and his fingers delighting my clit, he soon had me on the cusp of another orgasm. I told him I was going to cum and he fucked my arse faster and applied more pressure to my clit with his fingers. My second orgasm seemed to go on for ages and quickly gave way to a third. I was a quivering wreck by the time Nick pulled his cock out of my arse.

I turned round and kneeled obediently in front of him while he finished himself off over my face. With a grunt of satisfaction, he streaked my face and tits with hot white cum. I licked my lips and tasted his salty seed, rubbing his cum into my tits as I did.

Finally, he asked me to frig myself off for him. I had a hair-trigger clit by then, so it took me just a short while to bring myself to another orgasm in front of him while he stroked his spent cock. After that we got in the shower together before re-joining the party.

That was a very memorable shag. If you are reading this, Nick, I wouldn't mind a repeat performance if you are interested!

DO YOU HAVE A LOT OF DILDOS?

Yes, I've got a small army of dildos. Obviously I use them on myself when I'm wanking, but they also come in handy with other women.

The last time they were called upon to pleasure another girl wasn't too long ago. I met an older woman at a club who clearly had the hots for me. Her name was Jane, she was about 30 with a really fit body and gorgeous round tits. I really fancied her too, and as I hadn't had a cunt for a while I let her seduce me.

We ended up going back to my place. After a glass of wine I suggested I take her upstairs and show her my dildo collection.

Her eyes lit up when she saw my cuntwatering arsenal of love toys. She told me to take my clothes off and lie on the bed.

Then she grabbed hold of a massive double dong.

My cunt was wet as anything, but she gave it a good rub anyway to get it even moister. Then she carefully inserted one end of the dildo into my pink hole and began feeding it in. As my cunt swallowed more and more of the massive sex toy, Jane started to rub my clit. She obviously knew her way around a cunt – she knew exactly where to touch to set me off. Dildo fucking me with one hand and frigging my clit with the other, Jane soon had me cumming uncontrollably.

When I had finished, she straddled me. Bending forward to kiss my nipples, she inserted the other end of the double-dong inside her own cunt. She kept feeding it in until we had at least seven inches each deep inside us, leaving only a couple of inches or so on the outside.

As Jane began to slowly ride me, increasing amounts of the dildo became visible as she rose, before disappearing almost entirely each time she sank back down upon me. She was clearly an expert, and I just lay back and enjoyed her fucking and riding me.

When Jane was close to an orgasm, she slid off me with the dildo still inside both of us. Now sitting open-legged closely opposite each other, I moved my fingers down to Jane's clit and frigged her off. She threw her head back in ecstasy as the dildo and my fingers brought her to a climax.

After that we had a juicy 69 and really enjoyed tasting each other's cum. Jane then went back to my dildos. With a wicked glint in her eye, she turned to me with an eight-inch vibrator and a long solid string of anal beads. She told me to get on all fours on the bed, and I did as I was told.

I felt her tongue probing my soaking cunt. Then a couple of fingers went inside me before they were replaced with the vibrator, buzzing at full speed. Jane worked the vibrator in and out of my cunt and over my lips and clit. While she did so, she tongued out my arse.

Then, still reaming me out with the vibrator, she gently inserted the anal beads into my arse. Bead by bead, she pushed the toy deeper into my arse. When the toy was over half way in, she left it there and redoubled her efforts on my cunt and clit with the vibrator.

Just as I was getting close to cumming for a second time, Jane started to pull the string of anal beads out. As each bead popped out, the orgasmic pressure built up in my cunt. Finally, as the last and largest bead was withdrawn form my anus, I was consumed with a hugely intense orgasm. It ripped through my body, making me shudder all over and scream out loud.

Jane was so skilful with my dildos she had me cumming again and again all night. I returned the favour to her, though I still have a lot to learn to get up to her level.

But Jane has promised to teach me everything she knows, and I will definitely be a willing student!

Lou loves being the centre of attention and posing for top-shelf mags and she revealed to us that she pulsated and pumped out whole tumblers of twat-juice when she posed for us last time. "It's just the thought of all those thousands of cocks streaming their mucky contents all over my pictures in your magazine!" the 21-year-old confesses excitedly. "I thought doing it on a car bonnet in a dogging hotspot, or in a club toilet with people cheering me on was horny, but it's nothing compared to posing for your readers!"
